Draft mail — 6 accepted

■ CRITICAL   9.2 · Loss   Indemnity and liability

# Indemnity is uncapped and unqualified.

CLAUSE 9.2 · AS EXECUTED

“The Company and the Promoters shall jointly and severally indemnify, defend and hold harmless the Investor, its affiliates and their respective directors, officers and employees from and against any and all Loss suffered or incurred, directly or indirectly, in connection with any breach of any representation, warranty or covenant contained in this Agreement, without any monetary or temporal limitation, and any Loss arising under Clause 14.7.”

SHA, page 41. Clause 14.7 does not exist — see Proof.

WHY IT MATTERS ON THIS MANDATE

We act for the Investor, taking a minority stake at signing. An unlimited, joint and several indemnity with no basket, de minimis or cap is not the position the Investor accepted in its two prior Indian subscriptions, and the Company-side recourse erodes the Investor’s own holding. The absence of a temporal limit also keeps the Investor’s fund exposed past its expected exit.

ASK

Cap aggregate liability at the Subscription Amount, carve out fraud and wilful misconduct, and limit survival to 24 months (7 years for tax, title and authority).

PROPOSED LANGUAGE · OPTIONAL

“Provided that the aggregate liability of the Company and the Promoters under this Clause 9 shall not exceed the Subscription Amount, and no claim shall be made after the expiry of twenty-four (24) months from the Closing Date, save in the case of fraud or wilful misconduct, or a claim in respect of tax, title or authority, where the period shall be seven (7) years.”

Subject Kadamba Foods SHA — six points before signing

Partner,

The Kadamba Foods SHA and SSA are with us for signing. Six points, in the order I would take them:

- 1. Clause 9.2 — the indemnity is uncapped, joint and several, with no basket or de minimis. Ask: cap at the Subscription Amount, carve out fraud and wilful misconduct.
- 2. Clause 9.4 — survival is stated as indefinite. Ask: 24 months, with 7 years for tax, title and authority.
- 3. Clause 6.3 — the Promoters may drag at any price. Ask: a floor of 2× cost or the Investor’s written consent.
- 4. Clause 6.7 — the tag is proportionate. Ask: full tag on a Promoter exit above 25% of the share capital.
- 5. Clause 8.1 — Schedule VII (Reserved Matters) is referred to but was not supplied. Ask: the schedule, before signing.
- 6. Clause 3.1 — the Subscription Amount is stated as INR 1,10,00,000 in the body and INR 1,10,00,00,000 in Schedule II. Ask: correction and reissue.

Mechanical: three cross-references do not resolve, one signature block is missing for R. Nayak, and pages 61–63 came as scans without a text layer. Those pages have not been reviewed.
